

OPENSECRETS.ORG

OpenSecrets.org (<http://www.opensecrets.org>) disseminates lobbying and campaign finance data. AnalyzeThe.US has structured the data in the manner shown below. A lobbyist (person), his or her lobbying firm (lobby), and the firm's client (organization) are connected to one or more lobbying events. A politician (person) is connected to his or her political action committee (PAC) through one or more payments. Political action committees (PACs) are also connected through PAC-to-PAC transactions.
